SUMMARY

FULL STACK DEVELOPER Experienced and skilled in building scalable, high-performance web applications, I specialize in both front-end and back-end development. Proficient in React.js, Node.js, Express, and MongoDB, I deliver seamless user experiences and robust solutions. With expertise in Agile and DevOps, I lead teams, mentor junior developers, and ensure timely, high-quality project delivery. Passionate about solving complex problems and continuously learning new technologies to drive innovation.
